Dear Film Producer,

I recently completed my second screenplay entitled *The Best Script Ever*. Earlier this year, I reached the third round in the Really Important Screenwriting Contest and am presently short listed in the Best Screenwriter Ever Contest. I would like to see if you would consider reading my latest work.

The Best Script Ever tells the story of a young man who finds himself at a crossroads in life, whether to marry the beautiful young woman he just met on the bus or pursue his dream to become the first comedic escape artist.
